Today, the CRTC begins a public hearing on the future of Canadian Television.

Canadians have spoken...

5496
think it is unlikely their subscription fees will go down under a pick-and-pay approach

SUPPORT MAINTAINING
OR INCREASING CBC
FUNDING

SAY LOCAL NEWS IS IMPORTANT TO THEM

69%

say their impression of Netflix or Canal + would be more positive if they contributed financially to help support new Canadian TV programs

CANAL+

THINK FOREIGN COMPANIES
BROADCASTING TV PROGRAMS
INTO CANADA OVER THE
INTERNET SHOULD PLAY BY
THE SAME RULES AS CANADIAN
COMPANIES THAT BROADCAST
BY CABLE, SATELLITE OR
OVER-THE-AIR

THINK THE CRTC'S ROLE IN ENSURING ENOUGH COMPETITION TO PROTECT FREEDOM OF SPEECH AND DEMOCRACY IS IMPORTANT

And 6296 trust the CRTC to protect Canadian culture and identity on television, second only to the CBC (72%).
