Random Telephone Survey of 1,201 Canadians from September 27<sup>th</sup> to September 29<sup>th</sup>, 2008 The margin of accuracy for a sample of 1,201 is  $\pm 2.8\%$ , 19 times out of 20. www.nanosresearch.com - Page 1

As you may know, the government of Canada invests about \$1.1 billion in the CBC a year, approximately \$33.00 for every Canadian. Do you think this is a good use of taxpayers' dollars or a bad use of taxpayers' dollars?
